By signing below, I acknowledge that I am receiving a free rain sensor or a voucher in an amount not to exceed \$50 and I must install the rain sensor on my property in a timely manner upon receiving the rain sensor or voucher. I also agree to allow an on-site visit to verify that the rain sensor is installed within three months of receiving the sensor.

Guidelines:

1. Rain sensors are limited to one for each irrigation controller on property.
2. Vouchers are available to redeem rain sensors between April1, 2008 and June 30, 2009 subject to available funds.
3. Must be installed on an existing irrigation controller with in-ground sprinkler or drip system.
4. Rain sensor or voucher is not available for new construction or new irrigation controllers.
5. City of Santa Barbara and Goleta Water District reserve the right to inspect the installed rain sensor.
6. City of Santa Barbara and Goleta Water District are not responsible for equipment performance or water savings, and do not provide warranties or guarantees, expressed or implied.

The undersigned participant confirms that they are a Goleta Water District or City of Santa Barbara water customer, and that the customer has an automatic irrigation controller with in-ground sprinklers or dirp system. The undersigned participant also agrees to all other terms and agreements pertaining to the Rain Sensor Program.
